

Magic in Mistletoe

DECEMBER 8, 2023

Take a drink when...

- April has to do damage control for Harrington
- You see a Christmas stocking
- You see something related to Harrington's books
- April speaks with her boss or someone from her office
- Harrington signs a book
- You see a candy cane
- You see something that shows this wasn't filmed in winter
- April and Harrington participate in a Christmas tradition together
- You spot a "full" cup that's clearly empty
- There is mention of a dead relative

Finish your drink if...

- Harrington gets inspiration for a new book (bonus: take a shot if he gets inspiration for a new book that is not a part of his current series)
- You spot a production or continuity error
