Holiday Road

Take a drink when...

- Someone complains about the bad weather
- Something besides the weather delays the group's progress
- Maya takes a selfie or takes a photo of anyone in the group
- You spot a Santa hat or an elf hat
- There is mention of a dead relative
- Anyone falls asleep in the van
- Someone is wearing plaid
- The group participates in a Christmas tradition together
- Anyone drinks hot chocolate or eggnog
- Anyone talks about work

Finish your drink if...

- The whole group ends up spending Christmas together
- Dana and Clay end up together
- Bonus: take a shot if they don't stop for a bathroom break during the whole road trip
