

A NOT SO *Royal* CHRISTMAS

December 2, 2023

Take a drink when...

- Charlotte calls Adam "Your Grace" or "Lars"
- Someone says the title "Count"
- Adam almost blows his cover
- Adam does anything that goes against a royal tradition
- Someone is wearing a scarf
- You see a reindeer
- You see a Christmas tree
- You see an exterior shot of the palace
- Charlotte and Adam participate in a classic Christmas tradition together
- Charlotte's editor calls to ask her about the story

Finish your drink if...

- The real Count returns and likes the changes that Adam has made (bonus: take a shot if Adam is offered any sort of promotion to a position where he is an advisor to the royal family)
- Charlotte and Adam fall in love
