

Aloha Heart

JULY 29, 2023

Take a drink when...

- You see a waterfall
- Someone participates in or talks about a Hawaiian tradition
- Sara gets stressed out over her MOH duties
- Sara makes a suggestion on how to make the hotel more eco-friendly
- Manu helps Sara plan a different part of the rehearsal dinner
- Someone is drinking a tropical-looking drink
- A cup that is supposed to be full is actually empty
- You spot a sea creature (dolphin, fish, etc.)
- You see someone surfing
- Someone makes a toast or says "cheers"

Finish your drink if...

- Sara moves to Hawaii to do her conservation work and be with Manu
- Sara helps save the hotel
