

# CHECKIN' IT TWICE

OCTOBER 20, 2023

## Take a drink when...

- Someone mentions Wayne Gretzky
- You see someone wearing a Santa hat
- Ashley or Scott talk about their ex
- Scott participates in a holiday tradition
- Someone drinks eggnog
- Someone recognizes Scott as a well-known hockey player
- Someone says "hockey"
- Ashley mentions New York
- Someone makes a joke or pun about hockey
- You see people ice skating

## Finish your drink if...

- Ashley and Scott both give up their job opportunities to be together (take a shot instead if they figure out how to unrealistically "make it work" while still taking the jobs)
- Scott decides to permanently stay in Ashley's family's guest house
