FIELD DAY

TAKE A DRINK WHEN...

- You see a pumpkin
- Someone references last year's field day
- The PTO is unsupportive or tries to interfere with field day preparations
- Jen, Kelly, and Marissa are in the same scene
- Someone mentions a dead relative
- You see the students participating in a different field day event (take 1 sip for each new event/game you spot)
- Dan is wearing a whistle around his neck
- There is a mishap in the planning of field day
- You spot ANY production error in the film
- Someone drinks hot cider or hot cocoa (bonus: take a 2nd sip if the cup is clearly empty when it's supposed to be full)
- Someone says "field day"

FINISH YOUR DRINK IF...

- Field day is a success (bonus: take a shot if someone suggests that Jen, Kelly, and Marissa should be in charge of field day again next year)
 - Dan and Jen kiss
- .
